VINCHENO

Temecula, California

PRODUCED AND BOTTLED BY CILURZO VINEYARD & WINERY
TEMECULA, CALIFORNIA B.W. 4867, ALCOHOL 12.5% BY VOLUME

Blending red and white wines is more common in Europe than in this country. Much experimental blending took place before we achieved this light zestful wine. The final proprietary blend of red and white wines makes this a perfect picnic wine.

The name VINCHENO seems appropriate. It is a blend of the Cilurzo children's names, VINNE and CHENIN.

Modern wine making technology combined with proven old country traditions create distinctive wines rich in the regional character of Temecula. Come visit our award winning winery.
